

## Kiser to Speak at National Toxic Tort Seminar

JUNE 21, 2017 | SPEAKING ENGAGEMENT

The American Conference Institute (ACI) has announced that George Kiser is scheduled to speak at ACI's 6<sup>th</sup> Annual Toxic Tort and Environmental Litigation conference in Chicago. Kiser, a partner in the Edwardsville office, and fellow presenter Francis A. Citera of Greenberg Traurig will discuss implementing practical and ethical settlement strategies.

The three-day conference (June 21-23, 2017) focuses on current trends and cutting edge legal strategies for handling toxic tort and environmental litigation cases. Other speakers include leading in-house counsel, litigators, and preeminent jurists in this highly specialized practice area.

HeplerBroom is one of the sponsors for the conference.
