

HeplerBroom Employees Dedicate a Month to Giving Back

SEPTEMBER 1, 2022 | GIVING BACK

HeplerBroom's Edwardsville employees dedicated one month this summer to give back to their community by collecting money and supplies for some local charities. Their efforts yielded:

- 165 pounds of "wish list" supplies for the Glen Ed Food Pantry
- \$1,215 and "wish list" items for the Madison County Child Advocacy Center
- \$502 for the Oasis Women's Center

In addition, during a Celebration of Giving lunch at the end of the month, the firm recognized individual employees and the many organizations that benefit from their volunteer work.
