

Edwardsville Office Donates to American Cancer Society

MAY 18, 2023 | GIVING BACK

(Left to right): HeplerBroom partner Tara Kuchar, American Cancer Society Senior Manager of Development Patty Barney, and HeplerBroom partner Matt Champlin.

During the month of April, HeplerBroom's Edwardsville employees raised more than \$1,700 for the American Cancer Society's Colors of Cancer campaign. Employees participated in several fundraising events throughout the month, including a raffle, a Happy Hour event, and weekly bingo.

While there are currently 43 different cancer ribbon colors, the firm's Social Committee chose the lavender ribbon as its focal point because it symbolizes supporting *all* cancers.
