HeplerBroom's Springfield office serves all of Central Illinois.

HeplerBroom's Springfield office was originally opened in 2007 as a temporary location to facilitate the handling of a major case for the Illinois Department of Transportation. By the middle of 2008, the client base had expanded enough to warrant it becoming a permanent location. Today its attorneys are deeply involved in the defense of an array of matters, ranging from environmental to employment and labor law, government affairs, and estate planning. We try cases in the U.S. District Court for the Central District of Illinois (Rock Island, Peoria, Springfield and Urbana courthouses) as well as in over 35 Illinois Circuit Courts located anywhere between Adams, Vermillion, Peoria, McLean and Effingham counties.
